The foundation of T.O.P.S is based on the belief of solving "**H.H.H.**" which is **Hunger, Homelessness and Harm Reduction**, poverty, inequality, inadequate education, and lack of resources, while promoting our "**M&M Program**" which is **Mentoring and Monitoring** throughout the community on a State and National level. If you are unfamiliar with the work of The Ordinary People Society/ Prodigal Child Project, we hope that you will take the time to read through this proposal to better understand our core values, our mission to inspire, and what we are doing to restore communities. The organization has been recognized for feeding over 117,600 people a year through T.O.P.S. Moma Tina's Mission House also promoting higher education by providing empowerment programs. Programs such as; GED classes, afterschool enrichment, encouraging recovery by offering NA/AA, Job Readiness, Computer Literacy, and provide housing to ex-felon's male and female, that is offered at our Empowerment Center.

For the past **16** years, T.O.P.S. has been depending on individual sponsors to carry out the day to day operations. As you can imagine, the needs of the lower- income communities are great and the financial needs are even greater. In order to compensate the yearly increase of economic needs, we are reaching out to companies such as yours to help us with sponsoring our events and fundraisers. Our goal is raise \$200,000 in funds to sustain the **2017** programs. We have a variety of events and fundraisers through which your company can support T.O.P.S.

We hope that we can count on your support as always to fulfill the needs of those in need with your charitable support. These funds will be used to advance our educational enrichment programs and increase our feeding of the hungry by 25%. Your donation is tax-deductible. We sincerely appreciate all levels of sponsorship; whether it be money, in-kind gifts, or time to meet with us. We thank you for your blessings
